Dear Mr. Gilbreath:

This letter is to notify the Colorado Department of Public Health and Environment (CDPHE) that the Department of Energy (DOE) plans to implement the Rocky Flats Environmental Technology Site 904 Pad Compliance plan even though the requested concurrence from CDPHE, requested in correspondence dated May 26, 1994, has not been received. The DOE feels it is prudent to proceed with this implementation and that, based on verbal communications, CDPHE supports the compliance plan.

Should CDPHE feel differently about the 904 Pad Compliance plan, please notify Frazer Lockhart at 966-7846 as soon as possible.

Sincerely,

Jessie Roberson  
Acting Assistant Manager for  
Environmental Restoration
